Well done ladies! Saturday Bucket Collection

Team Queenstown Cat Rescue did bucket collection around the bars on the 30th, and we raised a HUGE \$926.40! A big thank you to Ying Shaw, Kiri Spain, Kerri Parkin, Lynette Addie, Julia Milley & Ruth De Reus.

We are collecting again next Saturday night, so please let us know if you would like to help out!

Kitty of the month

This beautiful 2 year old black cat which is in our care, had to have emergency eye surgery in which the vet had to remove his eye. He was suffering from a painful condition where his left eye had shrunk and become infected. This is called 'microphthalmia'. This special cat whose name is 'B3' has had quite an ordeal but he is now recovering well. We would like to say a special thank you to Dr Orla Fitzpatrick at VetEnt who performed the surgery on B3 and provided good advice on his care and recovery.

And huge thank you to people who made donations from Givealittle site, your donations will go toward his surgery, ongoing care and treatment, food and his feliway spray which we have used to help calm him. He is showing great progress and he is no longer suffering or feeling any pain.
