Our Kitty of the month is this adorable purry little male kitten. He is 9-10 weeks old and ready for adoption. He has amazing colouring – black with chocolate high lights through his coat. He will be such a loyal little kitty for the right family. Ring Sarah 021 107 5560

We would like to thank Remarkables Market and their team for the cat food donations and the \$40.20 cash which was raised and donated to us through their fun dog show event that was held on the 16th of March. We are extremely grateful and the food and funds will be put to great use!

We are looking for foster homes for our kittens! Queenstown Cat Rescue supplies cage, food, litter etc. If you are interested please contact us. (photo from our success story on Facebook)

Queenstown Cat Rescue has received \$300 donation from Bernd Heiner Schnabel, his brother Dieter Schnabel and family. Bernd and Petra from Germany fell in love with New Zealand in 1980 while they were on a world journey and they moved to Queenstown in 1983. The beginning was not easy but he built a wonderful house and installed a distillery in his house and this grew to be his passion. Everything he did, he tried to give it 100%. Unfortunately Petra past away in 2006 and it took a long, long time until he recovered from this. In all those years he never thought about going back to Germany, his heart belonged to New Zealand and he found his last rest in Queenstown. He left behind his beloved cat Jimmy whom Michelle Bath adopted after we uplifted and took into our care. The Schnabel family donated \$300 to the Queenstown Cat Rescue and we really appreciate their generosity.
